Silently flows the river to the sea  
As the barges go by silently

On a little blue ball  
With a big black sky all around  
So you better take good care of that little blue  
ball  
'Cause you know it's the only home you'll ever  
know

### **BIG RIVER**

There's a big river flowing it will be there  
tomorrow  
It's time we should be going  
There's no time for sorrow  
The stars will light the way back home  
This song will keep the fire  
Remembering the friends we've known this  
song will lift you higher

*(Chorus)*

So sing for the river and sing for the stars  
Sing for the friends we've made wherever they  
are  
Sing to bring you back again and to take you  
away  
Sing a song for me my friend, sing for today!

There's a big river flowing and it's always in  
motion  
It carves out it's journey on down to the ocean  
You can choose your path alone or take it to the  
sea  
Remembering the ways we've grown, this song  
will set you free

*(Chorus)*

### **GARDEN SONG**

*(Chorus)*

Inch by inch, row by row  
Gonna make this garden grow,  
All it takes is a rake and a hoe  
And a piece of fertile ground.  
Inch by inch, row by row,  
Someone bless these seeds I sow,  
Someone warm them from below,  
'Til the rain comes tumbling down.

Pulling weeds and picking stones  
We are made of dreams and bones  
I feel the need to grow my own  
'Cause the time is close at hand.

Grain for grain, sun and rain,  
Find my way in nature's chain,  
Tune my body and my brain  
To the music from the land.

*(Chorus)*

Plant your rows straight and long,  
Temper them with prayer and song.  
Mother Earth will make you strong  
If you give her love and care.  
Old crow watching hungrily,  
From his perch in yonder tree,  
In my garden I'm as free  
As that feathered beak up there.

*(Chorus)*

### **GREEN TREES**

Green trees around us, blue skies above  
Friends all around us, in a world filled with love  
Taps sounding softly, hearts beating true  
As we all say good night to you

Day is done, gone the sun  
From the lake, from the hills, from the sky  
All is well, safely rest, and good night

### **HAMMER SONG**

If I had a hammer, I'd hammer in the morning.  
I'd hammer in the evening all over this land.  
I'd hammer out danger, I'd hammer out a  
warning,  
I'd hammer out love between my brothers and  
sisters  
Oo, oo, all over this land.

If I had a bell, I'd ring it in the morning,  
I'd ring it in the evening all over this land;  
I'd ring out danger, I'd ring out a warning,  
I'd ring out love between my brothers and  
sisters,  
Oo, oo, all over this land.

If I had a song, I'd sing it in the morning,  
I'd sing it in the evening, all over this land,  
I'd sing out danger, I'd sing out a warning,  
I'd sing out love between my brothers and  
sisters,  
Oo, oo, all over this land.

Well, I've got a hammer and I've got a bell,  
And I've got a song to sing all over this land,  
It's the hammer of justice,  
It's the bell of freedom,  
It's the song about love between my brothers and  
my sisters  
Oo, oo, all over this land.

### **HAPPINESS RUNS**

Happiness runs in a circular motion  
Love is like a little boat upon the sea  
Everybody is a part of everything anyway  
You can be a part if you let yourself be  
Happiness runs, happiness runs  
Happiness runs, happiness runs

### **IF YOU LOVE ME**

If you love me  
If you love, love, love me  
Plant a rose for me  
And if you love me for a long, long time  
Plant an apple tree  
So whether I stay  
Or whether I go  
You'll have an apple  
And you'll have a rose  
So if you love me  
If you love, love, love me  
Plant a rose for me

### **LET IT BE**

When you walk in the forest, let it be  
There's a flower in the wood, let it be  
There's a flower in the wood  
And it's innocent and good  
By the stone where it stands, let it be

*(Chorus)*

Let it be, let it be  
It's so lovely where it is, let it be

Though' you want it for your own  
If you take it from its place  
It will not be what it was  
When you loved it where it stood in the wood

*(Chorus)*

It's a thoughtful child, innocent and wild  
By the stone, by the reed,  
let it bloom, let it seed, let it be!

### **LINGER**

Mmm hmm I want to linger,  
Mmm hmm a little longer  
Mmm hmm a little longer here with you Mmm  
hmm it's such a perfect night  
Mmm hmm it doesn't seem quite right  
Mmm hmm this is my very last with you Mmm  
hmm and come September  
Mmm hmm we will remember  
Mmm hmm Outdoor School and our friends so  
true  
Mmm hmm I want to linger  
Mmm hmm a little longer  
Mmm hmm a little longer here with you

### **PHOENIX**

We're rising up like a phoenix from the fire  
So brothers and sisters, spread your wings and  
fly higher  
We're rising up, we're rising up  
We're rising up, we're rising up

### **PURPLE LIGHTS** *(Chorus)*

Purple lights  
In the canyon  
That is where  
I long to be  
With my three  
Great companions

*(Chorus, sing all together)*

My backpack, my pony, and me  
My backpack, my pony, and me

Whip-poor-wills  
In the willows  
Sing a sweet  
Melody  
To my three  
Great companions

*(Chorus)*

No more cows  
To be roping  
No more steer  
Do I see  
Just my three  
Great companions

*(Chorus)*

Gonna hang  
My sombrero  
On the limb  
Of a tree  
Near my three  
Great companions

*(Chorus)*

### **RELAX YOUR MIND**

*(Chorus)*  
Relax your mind  
Oh relax your mind  
Makes me feel so fine sometimes  
Sometimes you've got to relax your mind

And when the turns green  
You put your foot on the gasoline  
Sometimes you've got to relax your mind  
Relax your mind

*(Chorus)*

And when the light turns yellow  
And you're feeling kind of mellow  
Sometimes you've got to relax your mind  
Relax your mind

*(Chorus)*

And when the light turns red  
You put your foot on the brake instead  
Sometimes you've got to relax your mind  
Relax your mind

*(Chorus)*

And when the light turns blue  
And you don't know what to do  
Sometimes you've got to relax your mind  
Relax your mind

### **ROVER**

See those clouds, rollin' on their way.  
See the stars, shinin' so gay.  
Hear the wind in the tall pine trees,  
And you'll know exactly why I'm free.

*(Chorus)*

I am a rover, rollin' along  
Rover, singin' a song  
I am a rover, 'til the day I die.

I have few friends, but they are true.  
The mountains, the flowers, the sea of blue.  
But I'm just a wanderer never standing still  
I must go onward to the hill.

*(Chorus)*

Through this world, I'm bound to roam.  
Without a bed, a fire or a home.  
But I've found a friend, a friend that is true.  
And that my comrade, that is you!

*(Chorus)*

### **SAY GOODNIGHT**

Say goodnight to you  
Say goodnight to you  
Day is done  
And down goes the sun  
Say goodnight to you

### **TAPS**

Day is done  
Gone the sun  
From the lake  
From the hills  
From the sky  
All is well  
Safely rest  
And goodnight

### **TODAY**

*(Chorus)*

Today while the blossom still clings to vine  
I'll taste your strawberries  
I'll drink your sweet wine  
A million tomorrows shall all pass away  
Ere I forget all the joys that are mine today

Well I'll be a dandy and I'll be a rover  
You'll know who I am by the songs that I sing  
I'll feast at your table, I'll sleep in your clover  
Who knows what tomorrow may bring

*(Chorus)*

I can't be contented with yesterday's glories  
I can't live on promises winter to spring  
Today is my moment and now is my story  
I'll laugh and I'll cry and I'll sing

*(Chorus)*

### **WE COME FROM THE MOUNTAIN**

We come from the mountains,  
We come from the mountains,

Go back to the mountains and turn your world  
around  
We come from the mountains,  
Go back to the mountains and turn your world  
around

*(Replace “mountains” in additional verses with:  
forest, valley, ocean, etc.)*

### **WEE BABY MOON**

There’s a wee baby moon  
Lying on its back  
With its funny little toes in the air  
And it’s all alone in the big blue sky  
But the wee baby moon doesn’t care  
Baby moon, keep shining on me, baby moon

### **WHITE SANDS AND GRAY SANDS**

White sands and gray sands  
Who will buy my white sands?  
Who will buy my gray sands?

### **WITCH HAZEL**

I’m looking at my sister  
She’s blooming in the garden  
Bright yellow flowers  
In the middle of winter time  
And I tell her to be strong  
Like the witch hazel flower  
You will not be injured in these dark and  
troubled times

*(Replace “sister” in additional verses with  
brother and friend)*
